

What is the Lone Star Princess Program?

**(The 3 P's)
Mentoring program - Participate!
STAR Club - Present!
and
Competition Experience - Perform!**

This three-pronged program is for young ladies age (5) five to (12) twelve.

The Lone Star **Mentoring** program is a year-round program where your princess will be mentored and have the opportunity to see intelligent young women as they communicate, perform, and interact with others, as well as exhibit strength, character, poise and grace under pressure while sharing their social impact initiative and serving their communities.

The Lone **STAR Club** debuts June 1, 2020 and is a program where your princess will have the opportunity to feel like a STAR as she is involved in monthly events and opportunities throughout the year. She will develop communication skills and learn how to make a difference in her community. She will also be showcased in video and zoom opportunities where she can learn to be comfortable in front of a camera, computer, or even in person as she expresses herself as she speaks and/or performs.

The Lone Star **Competition** experience (week of June 20-26, 2021) is a fun-filled week of activities, rehearsals and performing. She will have lunch with her titleholder, take part in a fashion show, and perform in a group production number. Our Lone Star Princesses do not personally compete, but they accompany their titleholder during the Red Carpet competition where the titleholders wear their Evening Wear. This is held during Miss Texas and Outstanding Teen Competition week (June 20-26, 2021).
